3. Contact person of the MOU from OTHER party (Member),
4. A person from the Development Section (If required, Member), and
5. A person from the Finance Section (If required, Member).

Each party shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf. Further, a coordination committee consisting of a programme coordinator from the side of ONE party and a programme coordinator from the side of OTHER party will periodically review and identify ways to strengthen cooperation between the two parties.

The parties may with the mutual consent further extend the duration of collaboration.

#### CONFIDENTIALITY:

For reasons of sensitivity, the privacy of the individuals or the interests of the ONE or OTHER party; Agreement of MOU needs to enter into undertaking of confidentiality. Before any assurances of confidentiality are provided to an OTHER party, the legal situation must be checked by the competent authority. The confidentiality of such Memoranda must be finally determined by the senior officer on advice from the respective Dean/Head of the institute/Department taking into account the obligations under the current Indian legislations.

#### INTELLECTUAL PROPERTY RIGHTS:

Ownership of any intellectual property (including but not limited to confidential information, know-how, patents, copyrights, design, rights relating to computer software, and any other industrial or intellectual property rights) developed jointly during the course of this MOU shall be vested in both institutes to this Memorandum and cannot be shared with third party unilaterally.

Both institutes shall have the joint right to determine the commercial exploitation and disposition of such intellectual property, and both institutes shall make joint applications for the registration of the same. Before any registration or commercialization of any intellectual property takes place, the institutes agree to reach a separate agreement covering issues such as exploitation rights and revenue sharing.

Any publication regarding such intellectual property shall only be processed with the prior written consent of both institutes. However, such consent not to be unreasonably withheld.

The parties shall be free to use perpetually the results arising out of the collaborating activities for its own internal teaching, research, educational, and publication purposes without the payment of royalties or other fees to the other party.

1. Head of Institution or its nominees as Chairperson,
2. Contact person of the MOU from ONE party (Member),

members:

The parties shall set specific timeline beforehand and establish manner of monitoring procedure; progress and objective achieve or planned. The parties shall on a regular basis, keep each other informed of and consult on the parties may constitute a monitoring committee. The monitoring committee will review the annual progress of the collaboration and give suggestions if required. However, both parties will arrange six monthly mutual meeting to discuss the proper implementation and goal(s) achieved during that period. The monitoring committee will consist of the following

### IMPLEMENTATION AND MONITORING:

This MOU may be amended or modified by a written agreement signed by the representatives or concern persons of both institutes.

### AMENDMENTS/MODIFICATIONS:

The collaboration renewal will be initiated six months earlier and must renew before the date of termination.

However, parties will ensure that the provisions of this MOU shall continue to apply to all activities in progress until their completion.

Any MOU between parties and any other institution may at any time during its period of validity, be terminated by one of the parties upon prior notice to the other party in writing not later than six months before the termination date. Once terminated, neither ONE party nor OTHER party will be responsible for any losses, financial or otherwise, which the other institutions may suffer.

The MOU shall remain in force for a period of Five (05) years commencing from effective date. However, this period may vary from area of collaboration and collaborative programmes. Institutions may extend the term by written agreement signed by both after review.

### DURATION/VALIDITY/TERMINATION AND RENEWAL:

The parties shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation.

The parties shall agree that detailed terms and conditions that guide each activity and person(s) will be determined separately and agreed upon by both parties. These terms shall include a technical description of the proposed activity, financial arrangements,

## PREAMBLE:

This MOU is signed in view of exploring the possibilities between the parties in terms of research projects, joint organization of seminars, conferences, workshops, training programmes and placement including exchange of faculties, students, professionals, technicians, and academics for mutual benefit of both the institutions. This MOU also seeks joint publications by associated researchers and/or faculty members of both parties. This MOU would give vast opportunities for parties to mutually collaborate for doing excellent in the education sector as well as beneficial for all stakeholders.

## GENERAL:

HCCB and DGBP have many areas of common interest in academic, education and research such as Biotechnology, Chemical Sciences, Microbiology, Commerce, Management and Entrepreneurship. Considerable advantage may be gained from their pursuit on a collaborative basis in the fields of academics, education and research, and administration.

NOW THEREFORE, LSEC and DGBP have decided to enter into this MOU, which defines the framework for the cooperation of the two parties set out in the following sections.

## PROPOSED OBJECTIVES AND EXPECTED OUTCOMES:

In consideration of the mutual promises set forth in this MOU, both parties are agree to the following collaborative activities in the academic areas of mutual interest, on a basis of equality and reciprocity. The objectives of the MOU are:

These parties shall enter into the MOU for any one or more of the following objective(s):

- (i) To prioritize the inclusive growth of the society and combing priorities of excellence and relevance.
- (ii) To promote innovation and entrepreneurship by covering and translating technology into products or processes.
- (iii) To encourage research relevant to industry.
- (iv) To encourage the mobility of experts from academia and vice-versa.
- (v) To device scheme for fostering academia-research-industry partnership.
- (vi) To foster resource-optimized, cost-effective innovations for the needs of humanity.
- (vii) To increase the standard of living of its citizens and to improve human health.
- (viii) To create a robust national innovation system.

Faculty/Scientist/Staff Exchanges:

(i) To exchange faculty to the mutual benefit of both parties;

(xx) Faculty of parties will support/guide and mentor the faculty of ONE or OTHER party in terms of delivering lectures/taking part in their Board of Studies / setting up their laboratories etc.;

(xxi) Faculty of parties in case of mentoring will become co-supervisor of the student(s);

(xxii) Faculty of parties may become Principal Investigator/Co-Principal Investigator/Mentor in the research project of faculty;

A specific plan will be worked out for each activity; setting forth detailed arrangements for collaboration will be agreed. Terms and conditions for each visit or an assignment or such exchange, including those concerning salary, travel funding, health insurance, and housing will be worked out between the institutes on the mutual basis. A separate agreement will be entered into giving such details including term of exchange of any intellectual property.

OR

A specific plan will be worked out for each activity; setting forth detailed arrangements for collaboration will be agreed. Terms and conditions for each visit or an assignment or such exchange, including travel costs and local costs will be borne by the respective party of the participant. A separate agreement will be entered into giving such details including term of exchange of any intellectual property.

Student Exchange:

(Where as a student is a full-time student, and from where he/she is expected to completing graduation, post-graduation or research degree. The party that receives a student for a brief period of time to undertake a predetermined programme of study or research. The parties are agree that student exchange will be guided by principles listed below:

- (i) Exchange student(s) will be selected by mutual agreement between the parties.
- (ii) An exchange student(s) will continue to be treated as full-time student at his/her home institution.
- (iii) An exchange student(s) will be considered as full-time "exchange" student at the host institution.
- (iv) His/her programme of study at the host institution will be determined by mutual consultation between his/her academic advisor(s) at the home institution and his/her "interim" academic advisor(s) identified by the host institution.
- (v) The OTHER party will evaluate an exchange student's performance in each course or module, award a letter grade or marks, and issue a letter to that effect.

This MOU is signed in view of exploring the possibilities between the parties in terms of research projects, joint organization of seminars, conferences, workshops, training programmes and placement including exchange of faculties, students, professionals, technicians, and academics for mutual benefit of both the institutions. This MOU also seeks joint publications by associated researchers and/or faculty members of both parties. This MOU would give vast opportunities for parties to mutually collaborate for doing excellent in the education sector as well as beneficial for all stakeholders.

GENERAL:

HCCB and DDS have many areas of common interest in academic, education and research such as Biotechnology, Chemical Sciences, Microbiology, Commerce, Management and Entrepreneurship. Considerable advantage may be gained from their pursuit on a collaborative basis in the fields of academics, education and research, and administration.

NOW THEREFORE, LSEC and DDS have decided to enter into this MOU, which defines the framework for the cooperation of the two parties set out in the following sections.

PROPOSED OBJECTIVES AND EXPECTED OUTCOMES:

In consideration of the mutual promises set forth in this MOU, both parties are agree to the following collaborative activities in the academic areas of mutual interest, on a basis of equality and reciprocity. The objectives of the MOU are:

These parties shall enter into the MOU for any one or more of the following objective(s):

- (i) To prioritize the inclusive growth of the society and combing priorities of excellence and relevance.
- (ii) To promote innovation and entrepreneurship by covering and translating technology into products or processes.
- (iii) To encourage research relevant to industry.
- (iv) To encourage the mobility of experts from academia and vice-versa.
- (v) To device scheme for fostering academia-research-industry partnership.
- (vi) To foster resource-optimized, cost-effective innovations for the needs of humanity.
- (vii) To increase the standard of living of its citizens and to improve human health.
- (viii) To create a robust national innovation system.

Faculty/Scientist/Staff Exchanges:

For mutual benefit of both parties;

- (ii) To enrich the educational environment of both parties through collaboration in teaching, research and development, and consultancy studies in the field of mutual interest;
- (iii) The exchange of academic information/materials on research and education programmes, teaching and learning etc.;
- (iv) To increase educational opportunities through conducting lectures, and undertaking joint research;
- (v) To jointly publish research paper/article, publish books, monographs, and conference, seminar and workshop proceeding, etc.;
- (vi) Attachment of staff for purposes of curriculum development and review, upgrading of teaching and research skills;
- (vii) Organizing/Participating in seminars, symposiums, summer & winter school(s), and other types of academic discussions;
- (viii) Co-supervising post-graduate student(s);
- (ix) Supervising/Co-supervising graduate student(s);
- (x) Conducting study tours and joint consultancy work;
- (xi) Organizing joint academic program and/or field trips;
- (xii) Running jointly short courses, and break-term programmes;
- (xiii) Exchange of research components/parts of equipment for time being and knowledge resources;
- (xiv) To promote research collaborations through sharing of information, samples, digital records, data, photographs etc.;
- (xv) Jointly propose and engage in research or training programmes sponsored by funding agencies and to exchange on a reciprocal basis researchers and students for limited period;
- (xvi) To improve inter-institutional contacts by facilitating access to field areas, libraries, laboratories and through intellectual exchanges;
- (xvii) To provide both parties with more and better information about each other in order to improve inter-institutional understanding;
- (xviii) To mentor the faculty and student for their better academic carrier and future prospects such as providing expertise for establishment of laboratory, library, development of syllabus and new programs, working as bridge for establishing relation between educational institution and college, organizing training and workshop;
- (xix) For mentoring purpose parties may provide accommodation facility on the payment

3. Contact person of the MOU from OTHER party (Member),
4. A person from the Development Section (If required, Member), and
5. A person from the Finance Section (If required, Member).

Each party shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf. Further, a coordination committee consisting of a programme coordinator from the side of ONE party and a programme coordinator from the side of OTHER party will periodically review and identify ways to strengthen cooperation between the two parties.

The parties may with the mutual consent further extend the duration of collaboration.

#### CONFIDENTIALITY:

For reasons of sensitivity, the privacy of the individuals or the interests of the ONE or OTHER party; Agreement of MOU needs to enter into undertaking of confidentiality. Before any assurances of confidentiality are provided to an OTHER party, the legal situation must be checked by the competent authority. The confidentiality of such Memoranda must be finally determined by the senior officer on advice from the respective Dean/Head of the institute/Department taking into account the obligations under the current Indian legislations.

#### INTELLECTUAL PROPERTY RIGHTS:

Ownership of any intellectual property (including but not limited to confidential information, know-how, patents, copyrights, design, rights relating to computer software, and any other industrial or intellectual property rights) developed jointly during the course of this MOU shall be vested in both institutes to this Memorandum and cannot be shared with third party unilaterally.

Both institutes shall have the joint right to determine the commercial exploitation and disposition of such intellectual property, and both institutes shall make joint applications for the registration of the same. Before any registration or commercialization of any intellectual property takes place, the institutes agree to reach a separate agreement covering issues such as exploitation rights and revenue sharing.

Any publication regarding such intellectual property shall only be processed with the prior written consent of both institutes. However, such consent not to be unreasonably withheld.

The parties shall be free to use perpetually the results arising out of the collaborating activities for its own internal teaching, research, educational, and publication purposes without the payment of royalties or other fees to the other party.

**ARBITRATION CLAUSE/LEGAL LIABILITY CLAUSE:**

Participating faculties, staff and students involved in any activities under this Memorandum must adhere to the law of the host countries and rules and regulations of the institutions.

Nothing in this Memorandum shall be construed as creating any legal relationship between the institutes. This Memorandum is a statement of intent to foster genuine and mutually beneficial collaboration.

In case, there be a dispute/differences of opinion relating to any aspect of academic, research and administrative cooperation, Concerned personnel of the, ONE party and counterpart(s) of the OTHER party will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

**SIGNING AUTHORITY:**

HCCB and DDS welcome the establishment of this Memorandum for cooperation and jointly agree to the provisions as set out above.

ONE party			OTHER party

The parties shall agree that detailed terms and conditions that guide each activity identified above will be determined separately and agreed upon by the two institutions. These terms shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation.

#### DURATION/VALIDITY/TERMINATION AND RENEWAL:

The MOU shall remain in force for a period of Five (05) years commencing from effective date. However, this period may vary from area of collaboration and collaborative programmes. Institutions may extend the term by written agreement signed by both after review.

Any MOU between parties and any other institution may at any time during its period of validity, be terminated by one of the parties upon prior notice to the other party in writing not later than six months before the termination date. Once terminated, neither ONE party nor OTHER party will be responsible for any losses, financial or otherwise, which the other institutions may suffer.

However, parties will ensure that the provisions of this MOU shall continue to apply to all activities in progress until their completion.

The collaboration renewal will be initiated six months earlier and must renew before the date of termination.

#### AMENDMENTS/MODIFICATIONS:

This MOU may be amended or modified by a written agreement signed by the representatives or concern persons of both institutes.

#### IMPLEMENTATION AND MONITORING:

The parties shall on a regular basis, keep each other informed of and consult on procedure; progress and objective achieve or planned.

The parties shall set specific timeline beforehand and establish manner of monitoring and review of the execution of the area of cooperation and its objectives.

For proper implementation of all criteria and timely completion of the agreed objectives, the parties may constitute a monitoring committee. The monitoring committee will review the annual progress of the collaboration and give suggestions if required. However, both parties will arrange six monthly mutual meeting to discuss the proper implementation and goal(s) achieved during that period. The monitoring committee will consist of the following members:

1. Head of Institution or its nominees as Chairperson,
2. Contact person of the MOU from ONE party (Member),

(vi) The ONE party may award to the exchange student(s) credits earned at a OTHER party, but only after the ONE party has established correspondence between courses taken at the OTHER party vis-a-vis those offered at the ONE party.

(vii) If an exchange student(s) has/have undertaken research, then the OTHER party will evaluate the exchange student's performance in the research, and issue a letter to that effect, together with a technical "report" of the research carried out.

(viii) If an exchange student(s) has/have undertaken research, then the ONE party will take note of the performance evaluation and the technical "report", and take steps in accordance with its own procedures.

(ix) The parties are agree to provide suitable accommodation and/or living expenses for student exchange.

(x) To avail travel expenses, students can apply for existing funding programs at their party.

(xi) The exchange student(s) will pay tuition and other fees at their party.

(xii) For mentoring purpose exchange student(s) will not pay any kind of fees to the OTHER party.

(xiii) For mentoring purpose ONE party will not bear any expense of the student(s). If required, OTHER party may provide accommodation on payment basis.

(xiv) In case of a doctoral degree programme, students must have a supervisor of ONE party.

Other Areas:

(i) To exchange information on research and educational programs;

(ii) To exchange information on teaching, learning material and other literature relevant to their educational and research programs;

(iii) To jointly organize short-term continuing education programs on topics of mutual interest and to invite each other's faculty to participate therein;

(iv) To organize jointly seminars, conferences, training program or workshops on topics of mutual interest and to invite each other's faculty, student and staff to participate therein;

(v) To propose and engage jointly in research or training programs sponsored by funding agencies, and to invite each other's faculty, student and staff to participate therein;

(vi) To exchange, on a reciprocal basis, students at Undergraduate, Graduate and Doctoral levels for limited periods of time for purpose of education and /or research;

(vii) The provision of cultural and intellectual enrichment opportunities for staff and students of both institutes;

(viii) To use laboratory facilities in specific cases for a limited period; and

(ix) To permit students, staff and faculty to use library facility etc.
