IPR CELL

The Intellectual Property Rights (IPR) cell is focused to recognize the importance of intellectual property by its teachers and students. The cell encourages the creativity and innovations of its people which lead to generation of intellectual property (IP). The cell is committed to support and guide the students and staff in protecting their innovative and creative ideas.

The cell understands the growing significance of IPR in business and research. The IP reasoning encourages innovations without fear of a competitor, who may steal the idea or take the credit for it. So, the cell conducts awareness seminars and workshops to advise and guide the students and faculty on the importance of IP.

The IPR cell at Hemuji Chandele College, Shelgaon R was established in 12 August 2022 by Principal and Staff members.

- *Vision*

Promote, preserve, encourage and facilitate innovations and research. The vision of IPR Cell is to be source of new ideas and innovations.

- *Mission*

To create an environment which delivers innovative ideas, conduct research and facilitate resources for development of intellectual property.

- *Objectives*

- To create an awareness about IPR for faculties and students of the institution.
- To conduct workshops, seminars and training programme on IPR.
- To coordinate between inventors, IP consultants for filing and managing patents.
- To educate the faculty on obtaining copyrights for their publication.

3.4.1. Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.

The institution has been practicing remarkable efforts along with neighborhood society through which students of our college were sensitized with regards to social issues as well as it has reported impact on the student's holistic development. The foremost aim of active participation in these events is to develop strong network in between institute, neighborhood community, environment and students. The major focus is given on the engagement of students and volunteering need based work in the society nourishing to the good citizenship of all students. The institution has been regularly participating in various extension activities with a dual objective i.e. sensitizing the students to various social issues as well as strengthens community participation.

All these mentioned activities have a positive impact on the students and developed student community relationships, leadership skills, and self-confidence amongst students. It also facilitated in cultivating the hidden personality of students and creating awareness among students. Apart from these above mentioned aims and objectives, the awareness has been created related to the clean and green environmental practices like clean surroundings, hygiene, sanitation in the neighborhood, garbage disposal, pollution control, water conservation, use of alternative energy and sensitizing the community at large to these vital issues.

The academic schedule was finalized by IQAC in the initial meetings as well as co-curricular and extra-curricular activities have been planned and conducted. The programs have been accomplished keeping in mind common social issues addressed in the society. The nature of program may be camp, rally, guest lecture, workshop, poster presentation, campaign etc. The extension activities conducted in the last five years are as follow: Beti Bachao, Shetakari Atmahatya, social and communicable diseases, women empowerment, voter registration, organic farming etc. The grace of all these activities have been improved by participation of Pani Foundation, Govt. veterinary Doctor, Govt. PHC, Talathi and Krushi Sahayak, Nationalized bank, milk dairy, Police station etc.

Participation in these activities has developed intellectual, mental, physical, emotional, and social abilities in a student so that he or she is capable of facing the demands and challenges of everyday life. All these extension activities are related to gender, socio-economical, cultural, health and hygiene, constitutional obligations, environmental awareness, agriculture and skill development etc. The publicity to all these activities or programs have been given using print media (news paper) and digital media like facebook, youtube, college website etc.
